

# EQUALIS Frameless Tub Shower Enclosure

## DT-60T-38, DT-66T-38

GLASSCRAFTERS INC.

All Units are available in Polished Stainless Steel, Brushed Stainless Steel, Polished Chrome Anodized or Iron-Black (add "PSS", "BSS", "CHA" or "IBK" to model code)

**Cleartek™** (Low-iron) glass is a super clear glass with significantly less color than standard clear glass, but is not color free. The larger the panel, the more noticeable the tint in the glass, especially on the edges.

### Acceptable Out Of Square (OOS) conditions:

- For bottom base opening, 3/8" OOS from left to right
- For wall that accepts stationary panel, up to 3/8" OOS
- For wall that accepts door panel, up to 3/8" OOS

### Standard Features:

- Solid 2-1/4" high x 11/16" thick aluminum rail stainless steel clad.
- Sliding door technology: stainless steel rollers with concealed ball bearings.
- Durable and long-lasting hardware.
- All stainless steel rectangular towel bars.
- 3/8" Cleartek™ (low-iron) & Standard Clear, tempered safety glass.
- U-channel at base.
- EnduroShield® protective glass coating.
- Fully reversible left and right assembly.
- High quality vinyl door bumper and sweep.

*Design and ordering for left hand or right hand door is not required as parts are reversible.*

- Cleartek™ (Low-Iron) or Standard Clear Glass
- Protective Glass Coating

### SHOWER ENCLOSURE MODELS: (All tub units are 66" high)

DT-60T-38 57" to 60" opening with 26" to 29" walk through

DT-66T-38 63" to 66" opening with 29" to 32" walk through
