

EPIC BY-PASS Tub & Taller Tub Shower Enclosure

ET-54S-38, ET-60S-38, ET-66S-38, ET-72S-38, ET-54T-38, ET-60T-38, ET-66T-38, ET-72T-38

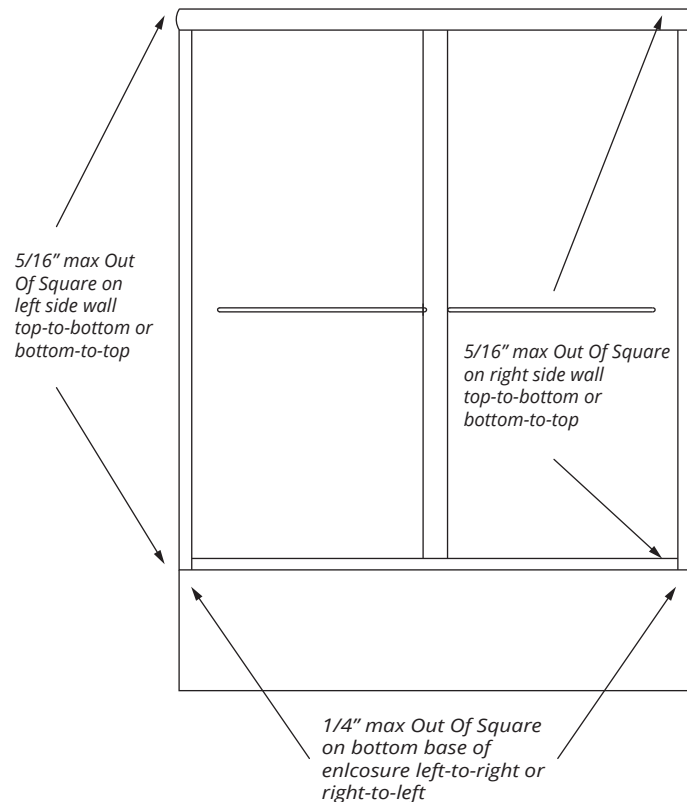

GLASSCRAFTERS INC.

All Units come in standard Polished Chrome Anodized
(see reverse side for upgrade finishes)

Acceptable Out Of Square (OOS) conditions:

For bottom base opening, 1/4" OOS from left to right.

For left and right walls that accept door panels, up to 5/16" OOS.

Standard Features:

- Clear safety tempered glass.
- Standard round or optional flat header.
- Easy-clean track and side jambs.
- Anti-lift safety brackets.
- Two standard thru-the-glass towel bars or cresent knobs available.
- Continuous rail with thru-the-glass fasteners.

Design and ordering for left hand or right hand door is not required as parts are reversible.

Custom FILLERS are available for OOS conditions beyond the range listed in this illustration. Contact GlassCrafters for more information.

Upgrades Available:

- Alternative Hardware
- Finish Options
- Protective Glass Coating

Optional Flat Header

Standard Rounded Header
