## Epic Series By-pass Doors

The Epic Frameless Slider offers a sleek, unrestricted solution to tub and shower environments. Choose from our smaller, stronger Curved or Flat header. Open side rails and clean track base enable you to keep your enclosure looking new. Thirty three decorative glass options are supported by our exclusive thru-bolted full length glass hanger, stainless steel ball bearing rollers and our patented panel safety clips. Additional options include six decorative metal finishes and nine thru-the-glass towel bars. Custom Side-Less enclosures offer 50% less metal.

## Epic Series Hinged Door

The Epic Semi-Frameless hinged door series was designed with minimal metal. This universal series offers both European and Traditional flair. Choose from our Round or Flat Header. Continuous concealed barrel hinge adds to the stability of the enclosure. Custom glass-to-glass corners enhance the frameless look. Additional options include six decorative finishes, seventeen decorative glass options and twelve thru-the-glass handles.
