## Mirror Care Instructions

### To our Valued Customers,

We realize that the marketplace offers many choices and we thank you for selecting GlassCrafters for your Mirrored Cabinet needs. The ensuing care instructions should be followed to ensure the longer life and beauty of your Mirrored Cabinet or Decorative Wall Mirror. For cleaning the mirror, we recommend using ammonia free **Sprayway** brand glass cleaner, which is available at a variety of retail outlets. **Never use abrasive cleaners or cleaners containing ammonia. This may cause chemical damage to the mirror and void the warranty.**

**Note: abrasive cleaning agents such as denatured alcohol will damage the lacquer finish on GlassCrafters Inc.'s satin brass frames and void the product warranty.**
